

Okay, Let's keep it Simple

Have you ever imagined a career in the beauty industry?
Part time gig or full time career, it is possible.

*You don't have to have prior
skills or know anything about
hair.*

**We will teach
you!**

BEAUTY SCHOOL isn't like a traditional college. You attend school for a set amount of hours and receive hands on training. Just imagine the earning power of a self-paced opportunity. You are able to make your own schedule and make the income you want.

Finish in less than 10 Months

Hairstyling 100 hrs- Become certified in all things hair from color, cutting, styling, other chemicals and the beauty business 101. Psst... Facial Waxing and Makeup Artistry too!
